September 16, 2005

This diagram shows an exploded view of a headlight assembly. The main component is the headlight housing, labeled 1. It features a central lens and a mounting bracket on the left side. Five callouts identify specific hardware: 2 is a small screw for the mounting bracket; 3 is a larger screw for the bottom of the housing; 4 is a long screw for the top of the housing; and 5 is a small pin or clip used to secure the lens or internal components.
